

Seattle Children's is currently seeking a full time Psychometrist to administer and score standardized psychological tests and measures under the supervision of a licensed psychologist for assigned department or program. Tests may include cognitive, academic, and neuropsychological tests selected by supervising psychologist. Evaluate, manage and record patient behaviors; assemble test data and calculate summary scores. Score tests and report findings to psychologist for interpretation.

Required Education/Experience:

- Bachelor's degree in Psychology or related field
- At least 6 months experience in administration of psychological and neuropsychological tests to children

At Seattle Children's, we believe in accountability, respect and teamwork - not only with patients and their families, but also with each other. If you share these principles, we encourage you to join us. We offer excellent pay and benefits, generous paid time off, transportation discounts, retirement plans, opportunities for career advancement, paid training days, and so much more. For immediate consideration, please apply online to <http://www.seattlechildrens.org> via requisition 11-3475.
