

# Conference WiFi

- **Use “eduroam” WLAN**  
if you have an eduroam account from your home institution
- or
- **Request your individual “UZH” WLAN conference account:**
  - Login to “public” WLAN
  - Visit the following page: <http://t.uzh.ch/coa>
  - Insert the following Event ID/Token: 1782.AM2356  
and your surname/name/email-address
  - You will then be shown your individual account on the screen  
(it will not be sent to you by email, so please **NOTE IT DOWN!**)
  - With your account you can login to “UZH” WLAN
  - For further instructions see: <http://t.uzh.ch/coa>

- Your individual “UZH” WLAN conference account can also be used for logging into the public computer room KOL-Da-11:
  - Request a conference account (described on the previous page)
  - Go to room KOL-Da-11 (open 8 a.m. – 5:30 p.m.) by following the red arrow in the map and going up two flights of stairs

- Log in both to the starting screen and the following screen with your conference account’s username and password
