

Psychometric Society Outstanding Poster Award

Description of the Award

The outstanding poster award recognizes excellence in research, poster design and presentation.

The awardees will be recognized during the award ceremony and will receive a monetary prize of \$500.

Eligibility

All first authors of posters exhibited at IMPS who are also presenting their poster during the poster session are eligible.

Selection

Each eligible poster will be rated by at least two judges during the poster session, and one or two of the top ranked posters will be selected for the award(s).
