

POSITION: Psychometrician/Student Assessment Developer (P/SAD)

LOCATION: Quantico, Virginia

BlueForce, Inc. is seeking to hire a Psychometrician/Student Assessment Developer (P/SAD) for the US Joint Counterintelligence Training Center (JCITA) Program, located at Quantico, VA. JCITA provides a full spectrum of joint and advanced counterintelligence (CI) training to DOD, which includes CI operations, collection, investigations, functional services, and analysis.

POSITION DESCRIPTION

The Psychometrician/Student Assessment Developer (P/SAD) will manage, conduct and participate in training need analysis, practice analysis, and task analysis to define student performance requirements for training.

DUTIES AND RESPONSIBILITIES

- Create student assessment instruments (tests and grading rubrics) that validate accomplishment of student learning objectives and make recommendations on the student assessment/testing process
- Summarize, analyze, and report on end-of-course student evaluation data
- Use data to create yearly metric reports for decision making and student recordkeeping purposes
- Development of data gathering, trend analysis, and student assessment techniques

MINIMUM QUALIFICATIONS

- Must be a US Citizen
- Must be over 21 years of age at time of appointment
- Must possess active US Security Clearance; Top Secret (TS) with Sensitive Compartmented Information (SCI) eligibility (TS/SCI) with Polygraph (POLY)
- Must have Masters of Psychology degree with a specialty in the area of Industrial/Organizational Psychology, Organizational Behavior, Personality Research, or Quantitative Methods
- Must have at least two (2) years of experience developing student assessment instruments or conducting training needs analysis
- Ability to perform data collection, summarization, and analysis
- Excellent written communication skills
- Proficiency using Microsoft Excel

Interested candidates can send a resume to Careers@blueforceinc.com
