

WELCOME TO RONALD REAGAN WASHINGTON NATIONAL AIRPORT

Once you have been comfortably seated in the taxicab, please note the Airport Taxi Operator's Permit hanging from the rear view mirror. For future reference, you should record the **Permit Number #** _____.

(NOTE: Driver is allowed to remove the Permit after exiting the Airport.)

All taxicabs dispatched at Ronald Reagan Washington National Airport must have and use taxi meters.

APPROXIMATE FARES FOR THESE AREAS

Fares are based on shortest route, however, the shortest route may not be the quickest route. Fares are not flat rates. They are **APPROXIMATE** fares and do not include the \$3.00 airport fee. Your actual fare may be different than the amount shown on the map.

Fares do not include the \$3.00 Airport fee or other applicable charges

* if handled by the driver

- 1) The driver must have an Airport Taxi Operator's Permit prominently displayed while the taxicab is on the airport.
- 2) The driver must display his local license to operate a taxicab (the so-called "face card") and a schedule of rates issued by the Washington Metropolitan Area Transit Commission.
- 3) The driver must give a receipt showing the driver's name, name of the taxicab company (if any), the taxicab number, the time and place of origin and destination of each trip and the amount of the fare on an authorized form when requested to do so by a passenger.
- 4) All taxicabs determine fares by operation of a meter. Meter must be turned on after (not before) you enter the cab.
- 5) All taxicabs are required to take the most direct route to their destinations, unless otherwise directed by the passenger.
- 6) Taxicab rates are established by the jurisdiction in which the taxicab is licensed. Interstate fares are regulated by the Washington Metropolitan Area Transit Commission (WMATC).
- 7) The driver must wear a shirt with a collar, long pants or a skirt, and shoes (not sandals) with socks or stockings.
- 8) The driver must not smoke in the taxicab when passengers are present.
- 9) The driver must operate a taxicab that is clean and maintained in good repair.
- 10) The driver must operate a taxicab that is equipped with air conditioning which shall be turned on when the outside temperature exceeds 80 degrees Fahrenheit. Driver must comply with passenger request to turn air conditioning on or off.
- 11) The driver must not act in a discourteous manner towards passengers or persons seeking transportation.

If you have a question or comment about your taxicab service today, please forward the number of the permit with a copy of your receipt (showing the information requested in item 3) along with the relevant information and your day-time telephone number to:
